Espero que sempre seas, como sues te disso que truinfes en la rida Dupiera te Trunfa Con mucho amos

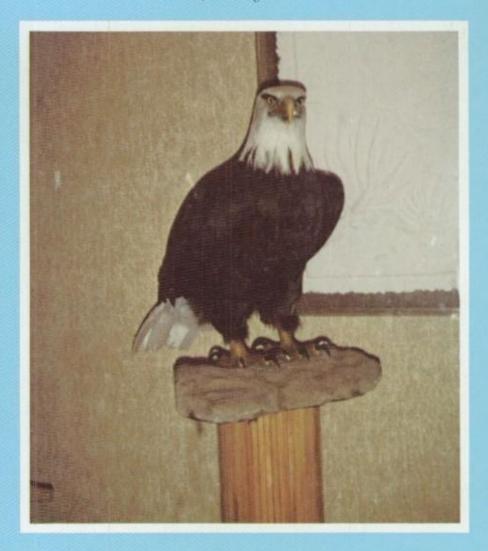

▲ EHS-MER supports the cheerleaders at game

▲ First teachers meeting for Etiwanda High School.

▼ The Eagle ...

Last Spring a Student Steering Committee was organized by Ms. Pollock to help establish the name, colors, and mascot of site six. The committee suggested some colors and mascots and then narrowed the choices down to the most popular. Ballots containing these items were sent to future Etiwanda students. The results are our proud red, black, and gold. These colors will represent the Etiwanda Eagles. The committee then divided into individual groups to decide the way activities, awards, sports, the constitution, and the budget would be handled at the new school. These student committee members spent many hours assisting with the planning for Etiwanda High School.

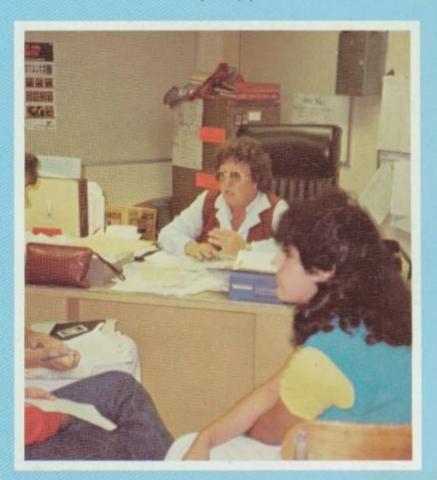

Archana and Camie taking a break ...

A Kathi, Magi, and Keisha, say ah . . .

▼ Ms. Pollock explaining procedures ...

The A.S.B. of Etiwanda High School got off to a fantastic start. During the summer the A.S.B. members got together and discussed the plan that had to be followed throughout the year. In fact, they were establishing a tradition for procedures to be used in the A.S.B. Major events were planned for the future.

A.S.B. members posing for the camera.

▲ Kristin Belden, "growling at the camera."

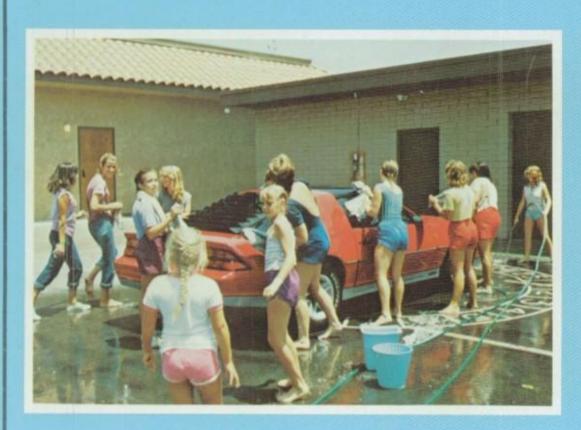

A.S.B.

## Cheerleading

This summer, the cheerleaders organized two car-washes at St. Peter St. Paul Church and at Central Elementary School. The cheerleaders made approximately one hundred dollars a day during their weekend and a half of hard work. The money that was made went toward cheerleading shoes and camp. They had a lot of fun and earned some money to help them along.

▲ Lisa and Shelli Cooper enjoy cooling off during the car wash.

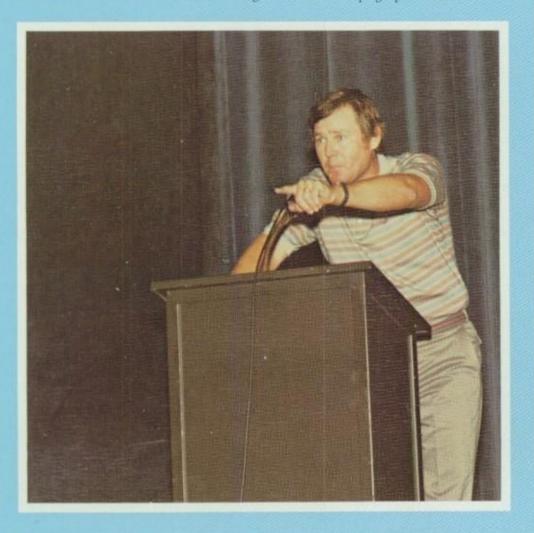

▲ Etiwanda Pep Squad gets everyone involved.

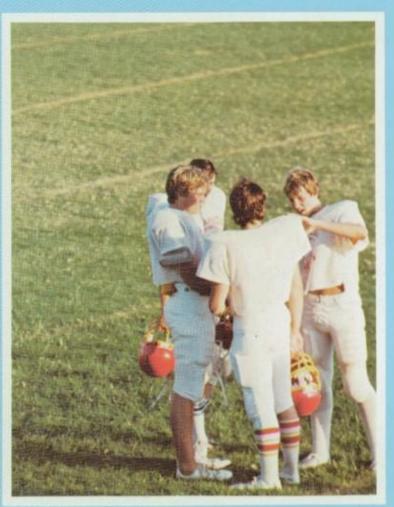

▲ Pep Squad members were as wet and soapy as the cars they washed!

▼ Varsity players Bryan Ogle and Marty Lefrenze discuss plays for next practice.

Shaping Up.

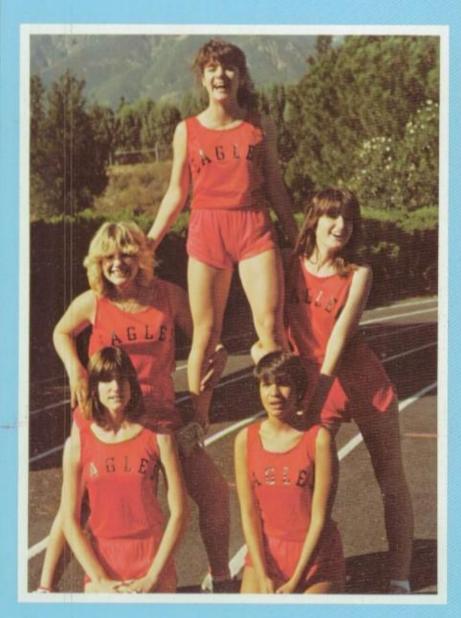

▲ Coach Rudolph works out with frosh/soph team at practice.

This summer the E.H.S. football players practiced two hours in the morning and three hours at night everyday. They put forth a lot of effort and worked really hard. They were glad to finally receive their uniforms and display their Etiwanda colors. Their practices were held at Alta Loma High and Chaffey College where they really sweated it out. They gave up their summer in order to represent Etiwanda with a super team!

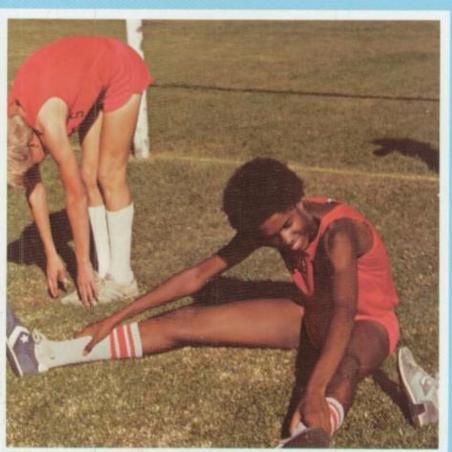

▼ Cross Country members stretching.

The Cross Country team, consisting of eleven members, started training over the summer at Chaffey College, while the facilities were being built. The coach, *Stephen Sullivant*, wasn't a teacher here, but showed pride for our school. Their hard work and dedication showed through-out the season, regardless of how many victories they had.

▲ Diane trying to stay up.

▲ Walter stretching out????

CROSS COUNTRY

▼ Band members warm up for first practice.

EHS-MER, better known as the Marching Eagle Regiment, has worked hard to achieve their goals. Their 90-member marching unit competed in many field tournaments and parades. Even though they had inadequate facilities in the first part of the year, members showed energetic enthusiasm and represented our school well. *Doug Lee*, Director, of the Marching Eagle Regiment stated at the beginning of the year, "Enthusiasm is sky-high, the fact that we are young is a strength and in two years people are going to sit up and take notice."

▲ Hey! What are you doing??

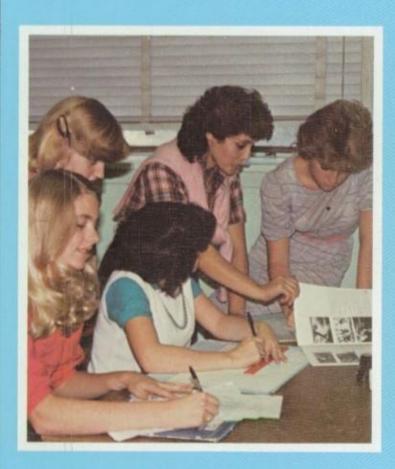

▲ Doing great!!!!

EHS-MER

▼ The Editors smiling happily.

The Yearbook editors got together over the summer to discuss Etiwanda's very first yearbook. A representative from Herff-Jones Company, Frank Chavez, was there to explain the symbols and procedures used in the process of making a yearbook. These meetings helped the staff to get off to a fantastic start.

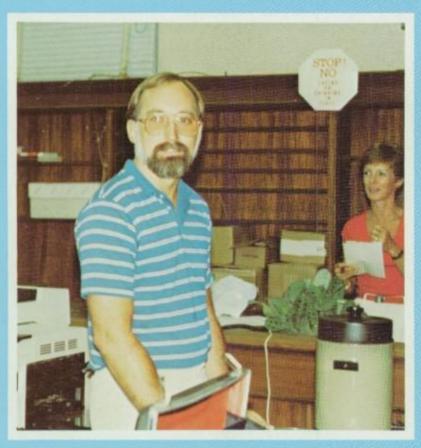

▲ Busily working.

▲ Do you mind????

▲ Mrs. Burger is so confused.

Although the certificated staff was off for the summer months, many continued to plan for the big day. The day that Etiwanda High School opened its doors for the first time. Many of us had accepted assignments outside of our discipline but did so with an attitude, "I'll try my best." Many of us were doing things we had never done before. We were all running at an emotional high waiting for our dreams to become realities. We are a new family learning each others ways, but we are making strides toward a true Unity.

▲ Mr. Paulus is shocked!!!

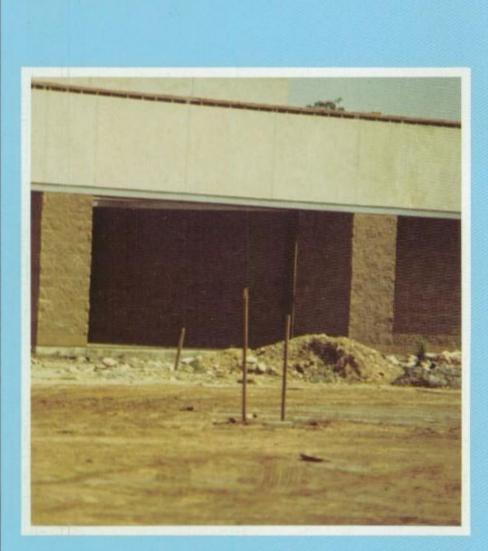

▲ Ms. Patterson happily writes a students schedule.

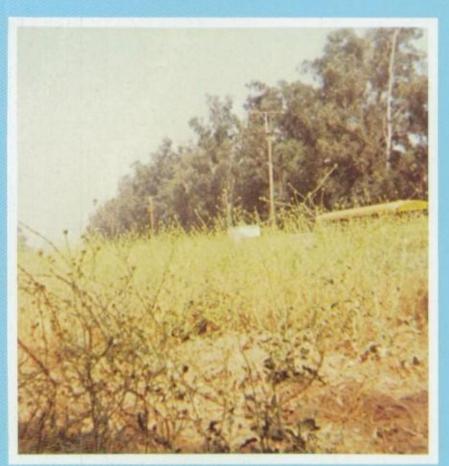

FACULTY

▼ Etiwanda's new home.

Ground breaking ceremonies were held on June 25, 1982 to begin construction of the new high school in the Etiwanda community of Victoria Avenue with hopes to complete the project September 1, 1983. Funds for construction, furniture and equipment are provided by the state through a lease-purchase agreement. The District qualified for the funds due to the population growth in Rancho Cucamonga. The school will have a capacity of 1200 students. It will open during the school year of 1983-84. It will house grades 9, 10, and 11. Grade 12 will be added the second year and the student body will number over 1100.

▲ Work progresses on our school.

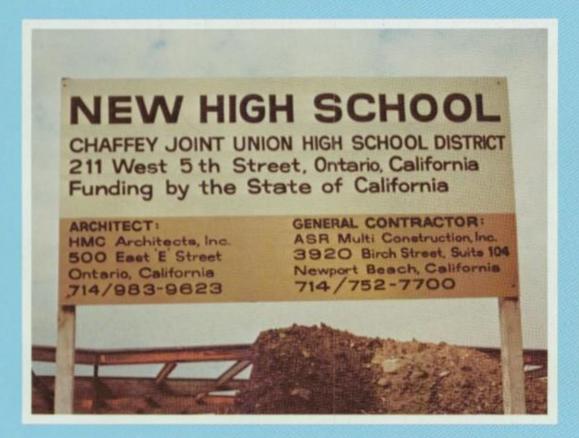

▲ Digging In!!!!!

▼ Steel structure for building A.

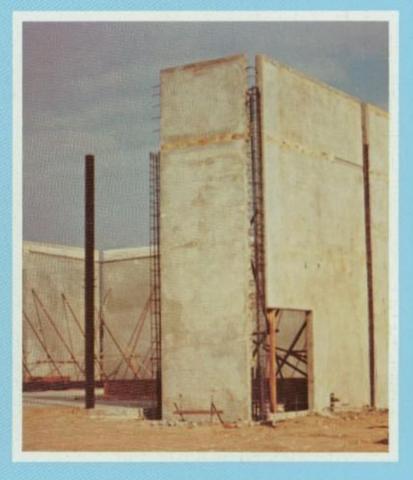

▼ Construction begins on new high school.

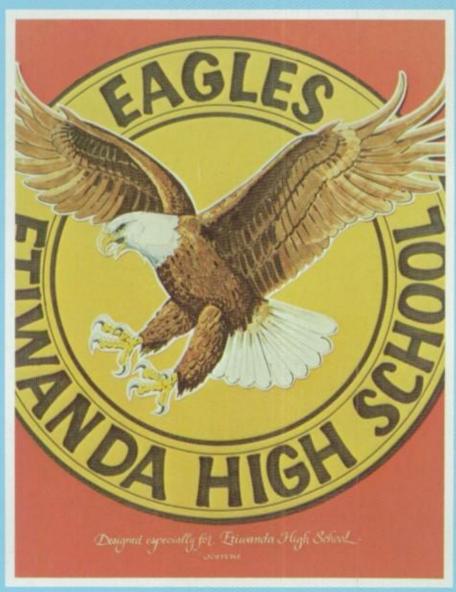

▲ Concrete walls of gym are being set in place.

▼ Principal, Don Culp and Vice-Principal, Earl Miller, make plans for Etiwanda.

## ETIWANDA EAGLES EXCEL!

Everyone working together with hope and persistence is the key to a great future.

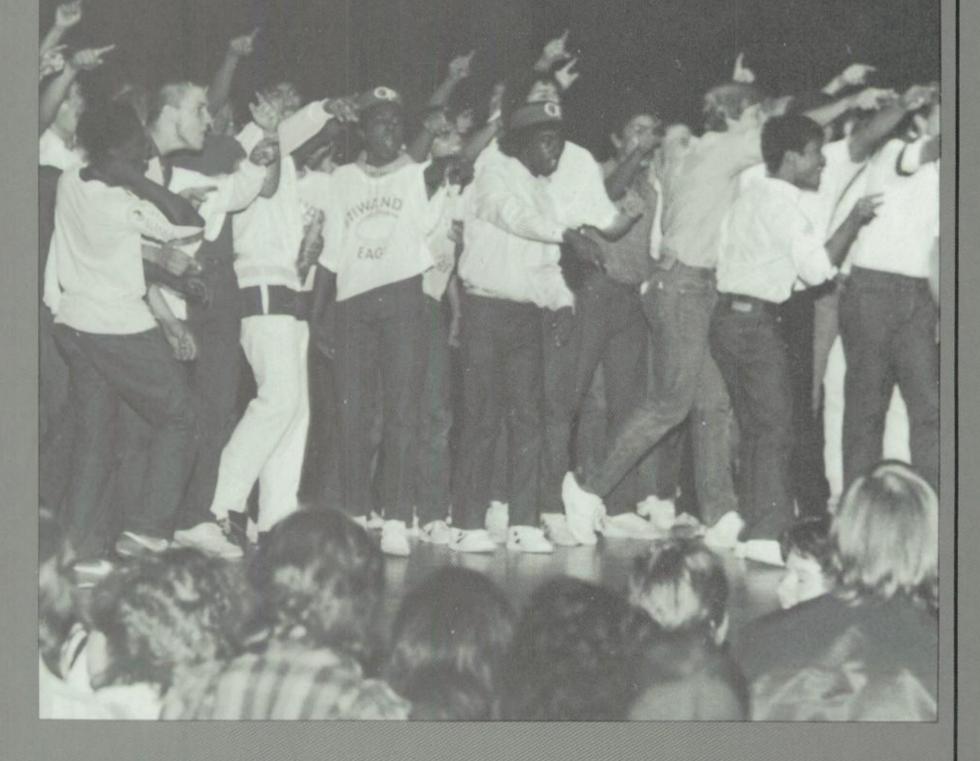

So this, our first year, AQUILA is dedicated to those people who have worked, hoped, and prayed for a great beginning of . . .

COURAGE,

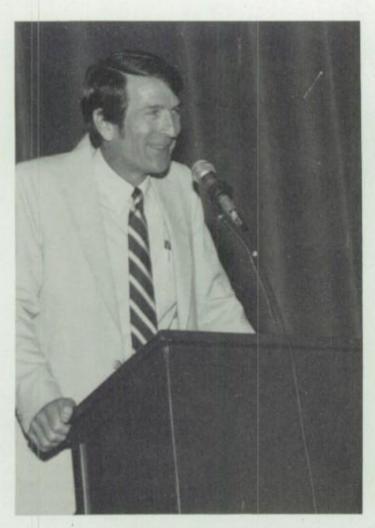

SPIRIT.

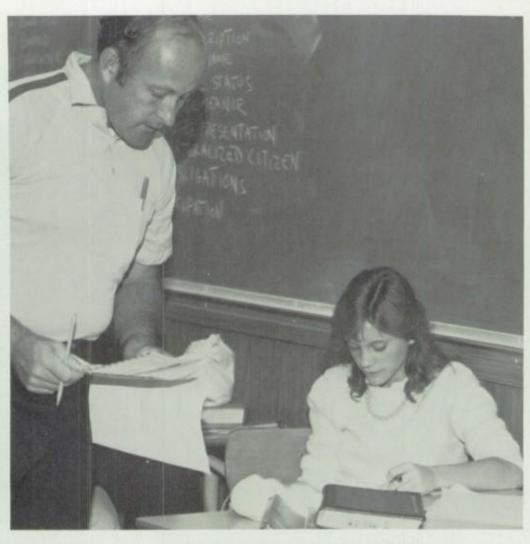

AND TRADITIONS

for Etiwanda High School.

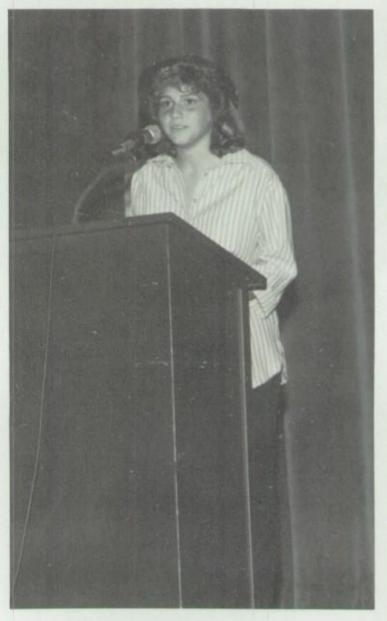

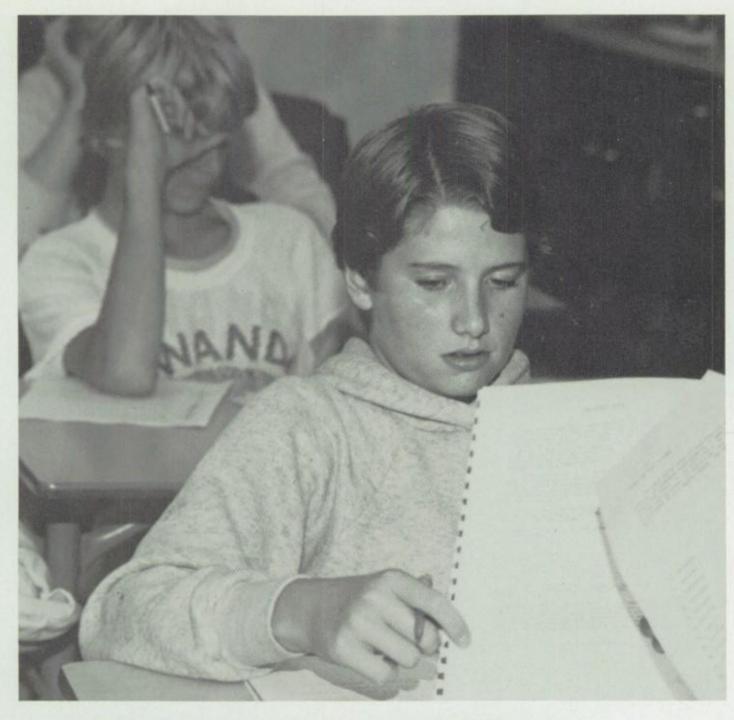

Dedication

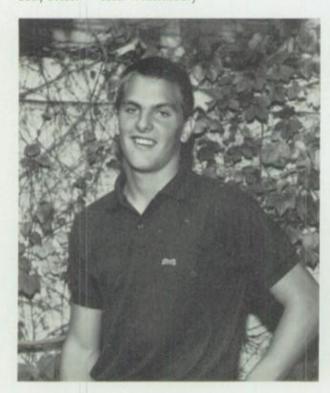

Unity

## JUNIOR CLASS CABINET

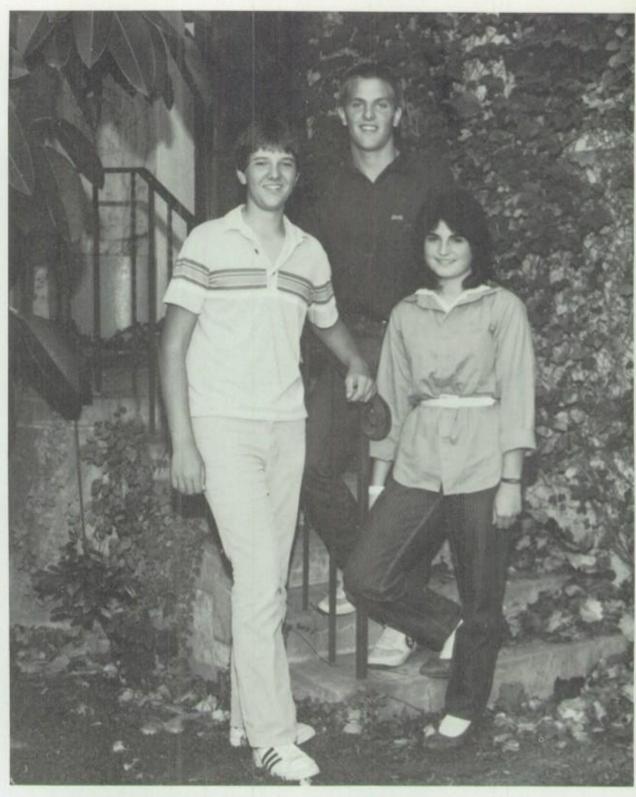

The Junior Class sponsored dances and fund raisers for Etiwanda High School this year.

Junior Class President Mike Stowe stated, "The Junior Class officers and I are trying to establish unity and spirit throughout Etiwanda. We are planning lots of dances and junior activities."

# They Counsel Us Through Our Problems

#### Mrs. Neen Patterson

I became interested in Etiwanda High School as I wanted to be a part of developing our new school's philosophy, program, policies, and procedures. The aspect of the change was appealing, and meeting a new staff would prove to be challenging. The enthusiasm of the community and the students was also a plus and although it will take some time to settle in, the newness and all its ramifications, has been stimulating.

#### Mr. Ron Scott

My primary interest in being a part of Etiwanda was a desire to be in on the planning and actual start up of a new school. The positive nature of the staff and student body confirmed my decision.

#### Mrs. Ruth Smith

"Education is a short term sacrifice for a long term gain." Anthing worthwhile requires some sacrifice — something extra. My coming to Etiwanda High School was being part of that "something extra". Each of us were glad to make a short term sacrifice for a long term gain. I am proud to have been a part of the New Beginning of Etiwanda High School.

Roberta Brazelton: Career Ed Tech.

Joyce Carlson: Student Store Manager.

## The Men Behind Our School

Mr. Don Culp

Being the principal of a school, a new one at that, requires a lot of work. I have helped to choose the site, the buildings of the school, and I have worked with the architects and contractors. I have been in charge of the planning and the selecting of the department chairpeople and teachers. I have worked with them to plan the school curriculum. I have set down the policies of the school and have helped purchase the furniture and equipment for the new school. I have put a lot of time and effort into Etiwanda High School and hope it will be for the better.

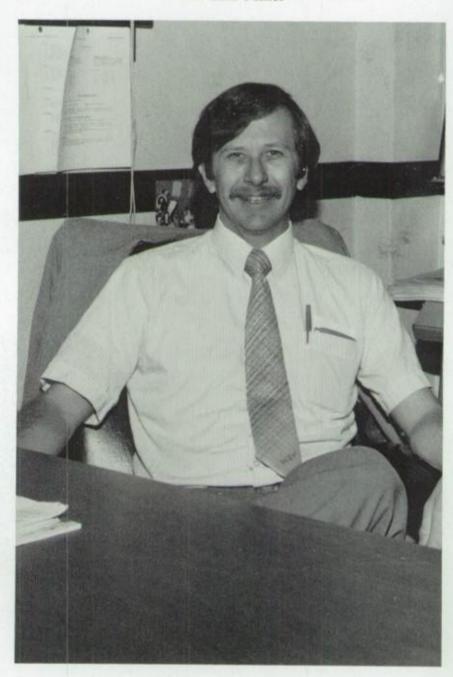

Dan alega.

As Etiwanda High School has developed, my influence and impact has spread over a large number of responsibilities. The range has been from student registration and overall guidance program to assisting athletics, student government, and working with the school nurse.

I feel my main impact is demonstrating the ability to do many things for the school in a quality manner, and remembering all the time to treat staff, students, and parents in a caring way. I feel this is the way the total Etiwanda High School staff is responding as we grow and develop. I am proud to model behavior I feel is beneficial to all.

E.E. mille

Mr. Earl Miller

### District Administration

Superintendent Mike Dirksen

A high point during the tenure of a superintendent of schools, is the planning, building, and opening of a new school. This accomplishment has come my way this year. Etiwanda High School is here. There is only one first year for Etiwanda High, so let's make the most of it.

Asst. Superintendent C. Robert Erickson

What a great opportunity it is to be in a new school at the start of what I believe to be an exciting new decade for education. With opportunities provided by the legislature comes the responsibility to improve our educational program. I'm expecting Etiwanda High School to become a leader in that effort.

Business Russell Dickinson

I have been able to assist in selecting the architect, holding meetings, hiring a building inspector, working with the contractors, the sub contractors, and seeing that all the necessary supplies and equipment has been ordered with the appropriate dates. It has been an interesting and challenging task and the business division will be involved all the way.

Personnel Dean Smothers

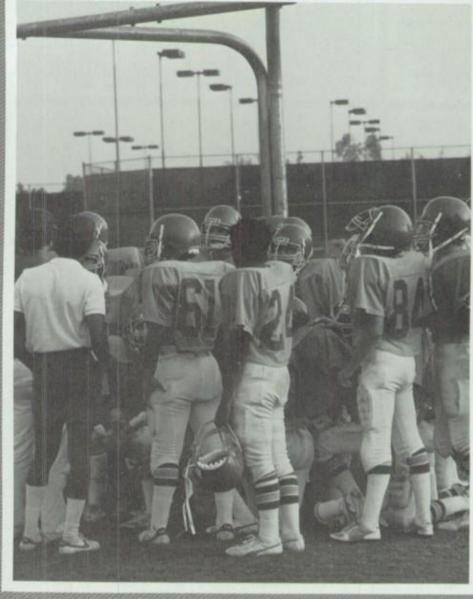

To have been part of the planning and development of Etiwanda High School has been a thrilling experience. From determining attendance boundries to staff selection, and from selecting school colors to electing student body officers, Etiwanda has been created. I look forward to watching our newest school grow and develope into an outstanding high school.

Sportsmanship and pride shown throughout the '83 season.

First row: Tom Pitts, Dean Crabbe, William O'Neil, Mike Fabian, Art Tovar, Jack Bloomfield, Tom Crandall, Marvell Alexander, Second row: Glenn Stutter, Frank Gonzalse, Alex Osorio, Aaron Butler, Mike Rodriquez, Marty Lafrenz, Art Contreras, Third row: Richard Pochy, Bob Holland, Leonard Bradford, Don Neilssien, Mike Bernver, David Ayala, Bryan Ogle, Dan Verdugo, Fourth row: Brian Hill, Alfred Katoa, Ricky Phillips, Charles Burks, Tom Rodriquez, Kolini Latu, Michael Levesque, Lindes Harper, Fifth row: Coach Everard, Coach Johnson, Coach Tisdale.

In their first season of football, the varsity team really gave it their all. Coach Tisdale summed up the season when he said, "The 1983 Eagle football team will be remembered as the pioneer spirited, young hard working team who began a tradition of excellence to come in athletics. No matter what the score or circumstance the young Eagles comprised of juniors and sophomores continued to give 100% and never gave up. This spirited work, effort and dedication was truely a tribute to each team member, his parents, his school and himself."

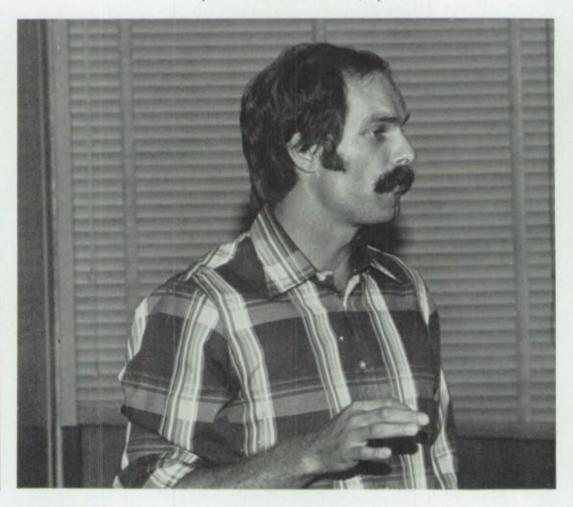

"It has been a real pleasure to share in such an experience." — Coach Tisdale

#### Eagles do their best!!

Mr. Rudolph, head coach of the frosh/soph team.

Mr. Rudolph, who was coach of the frosh/soph football team really took pride in coaching the team. He said, "If everyone comes to practice and works hard with intensity, when they play their regular games they definitely will win a game." Obviously this was evident by the fact that they won their first game. The first player on the team to score was Matt Hamel.

#### VARSITY SPIKES WITH SPIRIT

Diana Keith is a good example for a great setter.

The first Varsity Volleyball season was a learning experience. The girls gained important skills, competitiveness, and sportsmanship. Coach Calvert stated, "They were able to work well together and improved a lot. Of course we have had some downfalls, but we had a lot of happy moments. I think next year we'll do much better."

Denise Bermudez blocks the ball for a team victory.

Denise Bermudez bumps to Diana Keith for a score against Montclair.

## JUNIOR VARSITY PLAYS WITH PIZAZZ!!!

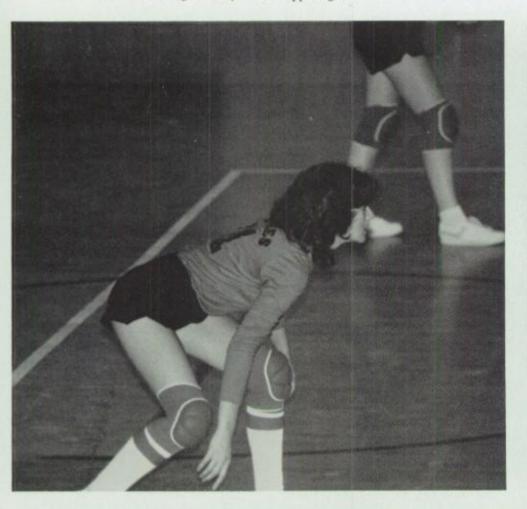

Mrs. Berry, coach of the J.V. Volleyball team really enjoys coaching her players. Mrs. Berry was proud to say "The team has shown more improvement in one month than any other sport that I have coached." Obviously this is evident by the spectacular way the team plays together. The team players feel really enthusiastic about having Mrs. Berry as their coach. Mellisa Heltzer who is a player said "It's real cool to be on the team and exciting." Kim Gaunt agreed, in saying "We're a pretty good team." The J.V. Volleyball team certainly has a lot of

Tracy Bryant awaits for the serve.

#### VARSITY JUMPS FOR FIRST SEASON

Brennan Maddings scores two points for Etiwanda.

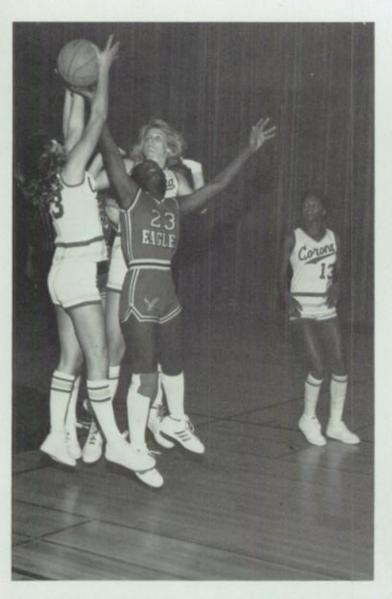

The first varsity basketball team was truly full of spirit. They had a lot of determination and gave each game their all. The girls gained valuable experience along with good sportsmanship. Coach Pollock feels that next season will be very promising.

With skill and precision, Denise Bermudez gets out of a tight spot.

Daurence Hubert is just another example of Etiwanda players giving it her all.

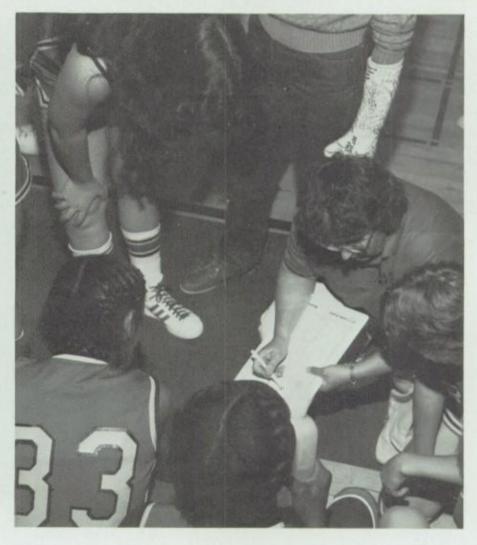

Top: Coach Pollock, Denise Bermudez, Daurence Hubert, Brennon Maddings, Denise Patterson, Angie Smith, Doreen Daniels; Bottom: Rosalie Romanazzi, Callie Smith.

Denise Patterson shows great skill as she outmaneuvers her opponent.

Coach Pollock gives team last minute play.

# J.V. GIRLS START OFF SEASON WELL. Susan Woodcock, Ursula Stuter, Angela Madison, Mary Ireland, Nisa Katoa, Tilila Sekol Catrice White, Coach Nan Fowler.

Susan Woodcock, Ursula Stuter, Angela Madison, Mary Ireland, Nisa Katoa, Tilila Sekona,

Nan Fowler, the J.V. basketball coach stated, "This season has been very valuable for the girls to gain experience and get playing time. I hope it has also been valuable in gaining the player's interest and enthusiasm for playing basketball. I'm very pleased with the amount of team work and cooperation shown between the players throughout the season. I have seen tremendous improvement in the team during the course of this season. I believe every player has improved 100% in knowledge of the game and in physical ability."

ETIWANDA vs. MONTCLAIR

ETIWANDA vs. DIAMOND BAR
ETIWANDA vs. BONITA
ETIWANDA vs. ONTARIO
ETIWANDA vs. CHINO
ETIWANDA vs. GANESHA
ETIWANDA vs. GAREY

Over all we have been very pleased with hustle and intensity of the team. The coach felt without the effort that the boys have put into their games, that they wouldn't have been as competitive throughout the season. We hope to have even a better season next year.

### Girls Soccer gives it their all.

Lanette Caballos showing some of her skill.

Candy Smith outwits opponent to get ball.

Girls' Soccer kicked off its season with a small, but enthusiastic squad of players. The team worked very hard to establish new records and tradition for Etiwanda High School Soccer.

The goals of the E.H.S. Girls Soccer program were to provide personal development for players.

The team became a working unit. As the season closed, the enthusiasm and determination of the players was strong — A good omen for the future.

Even before school began in September, Etiwanda's A.S.B was already busy at work. During the summer they got together and established rules, regulations and policies to help them in the upcoming year. During the 1983-'84 school year they were busy doing such things as sponsoring dances, paying bills, and arranging most school-funded activities. They showed their spirit by attending the sports games and even organizing the first "Spirit Queen Rally." According to A.S.B. Vice President, Kristen Belden, "This year's A.S.B. really helped the school get off to a promising start." Many other officers found that there was a lot of hard work to running a school. A.S.B. Secretary, Cammie Yngelmo, says, "There were times when it was really hard, but, all in all I enjoy my office and hope to have it again next year."

#### OUR SPIRIT LEADERS

Advisor - Mrs. Tavaglione

Mascot - Annisa Williams

"Being a spirit leader at E.H.S. requires more than the talent originally displayed at try-outs," confided cheerleading coach Mrs. Tavaglione, she remarked, "Involvement is the key to a successful spirit program. Total school involvement at E.H.S. has made this years spirited and great."

Marry Tellez-Giron, Noel Riemers, Christy Varga, Kim Ludolph.

Drum Major: Tony Ramirez

Second row from left: Mike Landa, John Robinson, Alan Cariveau, Tammy Sansone, Scott Condon, Bruce Draper, Bottom row; Mark Rogers, Sandy Lily, Ursula Stuter, Dan Kim, Duane Slaman, Kelly DeLoach. Not Pictured, Shawn Gallipeau.

Mike Cordeiro sets the beat with a style all his own.

The audience waits, expecting a mediocre performance...

Director Doug Lee says the magic words...1...2...3

...! The opening notes of Perdido fill the air and the audience falls into a whirlpool of jazz. They seem entranced as they smile and tap their feet. The last notes end and the performers are bathed in applause...

Bruce Draper and Tony Lueken might someday be future "Chuck Mangiones".

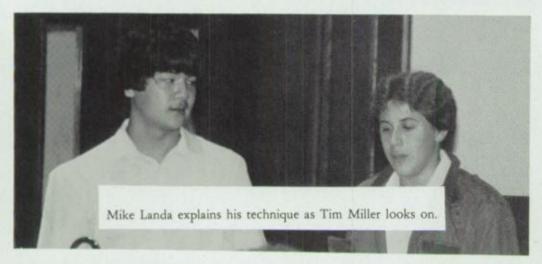

Tenor Saxes, Sandy Lily and Ursula Stuter wait for their parts while First Alto, Dan Kim, plays on.

## JAZZ!

Jazz Ensemble has performed for festivals, private parties, and even Chuck E Cheese's Pizza Time Theater. The 17-piece band learned many jazz techniques and scales. "It's fun and helps me improve my technique," stated pianist Mary Ireland.

Mr. Lee seemed quite pleased with the band. Early in the band's debut, he stated, "We're coming along well and we have great potential."

Blake Berman enjoys himself while playing the Bass Guitar.

Tenor Sax, Mark Rogers, "feels" the music during his solo performance.

Mary Ireland plays the piano with ease.

#### The Aquila Executives

Class/Faculty: Back Josie Beltran, Angela Madison, Sonia Aguilar, Brooke Barnett, Judy Hively; front Editor Michelle Land.

Sports: back; James Barns, Tracey Bryant, <u>Arnold Vasques</u>, Frances Tualo, Mindy Matthews, front; Editor Melba Gutierrez.

The Aquila Staff for 1983-84 has worked hard and long to put out the first Etiwanda Aquila. Mrs. Jones, Advisor, planned the first stages of the yearbook over the summer with the staff. Learning how to crop, design layouts, write copy, and take photos has been one great experience.

Each section, Activities, Class/Faculty, Sports, and Photography put forth their most. Editor Tammy Decker expresses her enthusiasm by saying, "I really enjoyed this year. It was exciting and challenging, planning the first Aquila. Everyone connected with Etiwanda High School participated in developing the theme for this year's Aquila. The beginning of a tradition: Unity, Spirit and Courage.

Activities: back row; Shelly Beeman, Ursula Stuter, Lori Miranda, Suzanne Robinson. Front; Editor Lisa Romo.

Photography: Editor Alicia Morrison, Rick Tieken, Rich Tubiolo, Angel Williams.

Editor-in-Chief Tammy Decker.

Asst. Editor Kathi Shaw.

Copy Editor Holly Calinski.

## Singing and Acting are Big Hits

If you ever had a vision of a heavenly choir, our Concert Choir and Chorus came very close. Under *Doug Lee's* instruction, these groups flourished. Their repertoire consisted of traditional favorites to contemporary and jazz selections.

"To be or not to be" fortunately was not the question for the drama class. The large influx of performers made it possible to put on more involved plays. The members thoroughly enjoyed themselves and put on several high quality skits, plays and speeches.

A smiling Lee introduces Chorus for the first

Snow White doesn't look too thrilled as Prince Charming describes her future.

Is this what Drama members do for kicks?

#### JOURNALISM The AQUILINE

After a memorable year of school, we can look back on our newspaper with pride. The Aquiline shared many of those memorable events with us. It was made up of a dedicated staff of journalists. With Mrs. Wasserman as advisor and Jennifer Benefield as editor, our newspaper was a success. Mrs. Wasserman said, "There is more potential and progress for students of journalism as compared to a regular English class. People who are writing for publication are motivated to take more pride in their work." Jennifer Benefield the editor said, "The policy of the Aquiline is to inform and entertain its readers. The Aquiline at all times strive to be fair, accurate, and objective when reporting the facts." The successful first year of the newspaper has started a tradition at our school.

## Swinging Couples

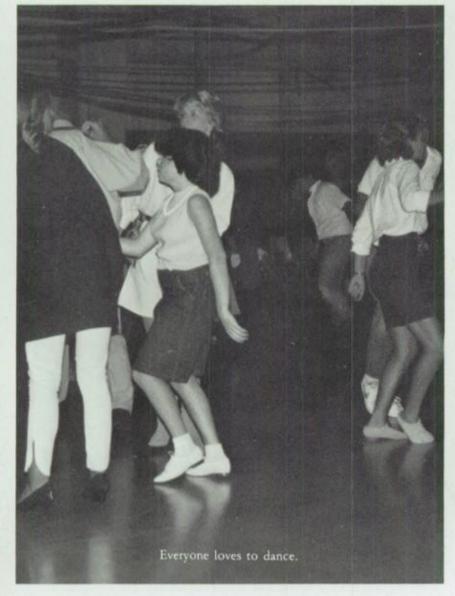

This couple having a wonderful time.

Mike, Tammy, Mary and Marty enjoy spirit dance.

#### Dance With Me

Over two-hundred students danced to the sound of the *Pedestrians*, a band that played pop music, at the first dance ever. The dance was on the twenty-fourth of September, and ASB made over one thousand dollars for future student activities.

The band members, Daniel, Mark, Dave, Jeff, and Thomas were a hit with the crowd, and their breaks were spent giving hints to upand-coming musicians. Musician, Frances Tulao said, "They were very helpful and they gave us (her band) some good hints."

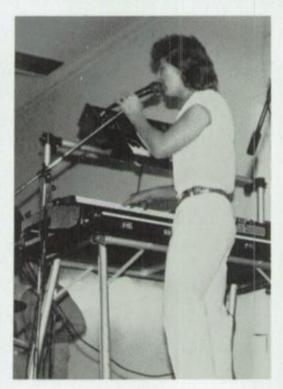

The dance was a success and many students were looking forward to the future ones.

Dancer Shelly Fry shows pure concentration.

Daniel, keyboard player, sings into the microphone.

Mark demonstrates his ability to play the guitar.

your se son adding mental and the sold and the sold of the sold of

Prince Aaron Maloof

Prince James Southard

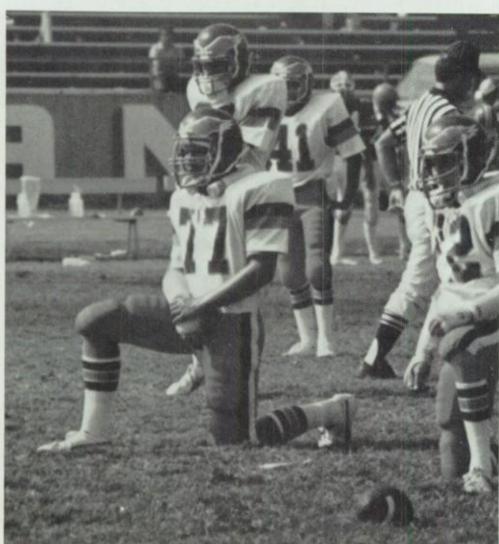

Prince Ken Whittenbury

# The King and His Court

Bryan Ogle was chosen to represent our school because of the enthusiasm and true school spirit Bryan has shown through out the year. He was a Varsity Football player, a wrestler, a track member, and he has helped many A.S.B functions.

King Bryan Ogle, our first Etiwanda King.

King Bryan, suited up for his 1983 Football season.

Kathy Croxford beams up proudly as Bryan was crowned.

#### Academic Decathlon

The Academic Decathlon was a very important event. It was a test that lasted for nine hours and was divided into three parts, written, communicative, and the super quiz. The subjects included mathematics, economics, social science, fine arts, science, language and literature, essay on quotes, speech, impromptu speech, an interview, and the Super Quiz which was on the housing effect. The Decathlon consisted of fourteen schools from the San Bernardino county. Etiwanda placed third in the Super Quiz and Archana Kudva placed second in mathematics. When asked if they had fun, they all said yes! Archana Kudva said "it was challenging" and James Southard said "it was great for everyone." They all want to do it again next year. They would like to get a class started next year with Ms. Patterson as the teacher. They recommend all the juniors and seniors to get into the program next year.

Ms. Nancy Patterson Decathlon Advisor

#### Key Club

Key Club (Kiwanis Educating Youth) functioned as an organization for students to get involved with the community and our school. Some of the many activities Key Club participated in were: a car wash, Wake-a-Thon, and Cupid Sweetheart Match. In April, some members attended the Key Club Convention in Anaheim, which they had been working towards all year.

# The Happenings of 1983-1984

#### Beirut Lebanon

President Ronald Reagan sent 1,200 U.S. Marines into Beirut, Lebanon on September 29, 1982. They were supposed to keep peace while they were there. In April 1983, the U.S. Embassy in Beirut was destroyed by a car bomb by unknown terrorists killing 63 people. Suicide Moslems bombers drove a truck full of TNT into the Marine resting quarters killing 241 Marines on October 23, 1983. Soon after this incident 58 French soldiers were blown up in the same way. On February 7, 1984, President Reagan began evacuation commands to get the Marines off the shore and onto the awaiting ships.

Baby Jane Doe was born with multiple problems, including Spina Bifida, excess fluid on the brain, and, most distressing, and abnormally small head. A large part of the brain, the Cerebral Cortex is missing. If the child had surgery, physicians would expect Baby Jane to be partially paralysed, severely retarded, and obilivious to her surroundings all her life.

Under these circumstances, her parents decided against surgery to stop the overflow of fluid to her brain. Without the operation, Baby Jane is expected to die by her second birthday.

The Hall of Law and Justice is an earthquake proof building. It is located on the Southeast corner of Haven and Foothill in Rancho Cucamonga.

#### Invasion of Grenada

On October 19, 1983, the United States invaded Grenada, which is located just off the East side of Sout America. It was and act of prevention. The late Prime Minister, Maurice Bishop, was assasinated soon after the invasion. Grenada was being built up to be a pit stop for war vehicles. Bishop was recruiting Cuban troops and constructed a 10,000 foot runway to be used for war planes. In the confusion the asylum was bombed by accident. The United States wanted to protect the American Students who were attending the American University in Grenada.

#### Defense of Europe

During the mid and the late 1980's, the French and the British sent missles to the coast of West Germany and England to help in the defense of Europe. This act was done in order to prevent the take over of Europe by other more powerful nations. The United States supported this cause by sending Persian II missles to be set up in West Germany and England also.

#### Lt. John Goodman

On December 4, 1983, as two United States Navy jets flew over Syria, shots rang out and the two jets were no longer airborne. Upon striking the ground, one pilot died, while the other, Lt. John Goodman, was taken prisoner by Syrian soldiers. Syria declared war with the United States and took Lt. Goodman as a Prisoner of War. However, the United States saw no reason to go to war with Syria, and declined their offer to fight. Jesse Jackson, a political figure, went to Syria and talked with Syrian President Hafez el-Assad, asking for Lt. Goodman's freedom. Jackson and Goodman both returned home to a celebrating country.

#### Korean Air Liner

A Korean Airline Jet, botted for Seoul, Sourd Korea, strayed from neutral air space and ended up the Soviet area. The Soviets thinking it was a spy mission, shot of jet out of the sky. The KAL flight abrubtly ended taking 265 hees. Some say no warning was liven, others say the jet never acknowlessed the Soviets. Many prople lost their family and friends. Others just lost their respect for the soviets.

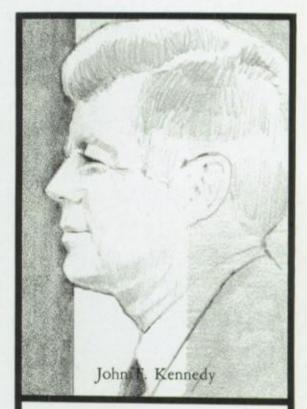

In the fall of 1983, ABC, channel 7, aired a movie on Atomic Bombs. "The Day After" was based on what might happen if World War III erupted. For days before its premiere, teachers, newscasters, and the T.V. Guide urged people to watch it with parental guidance. Young children were cautioned not to watch. It dealt with the panic of death and loss of friends and relatives. It dealt just barely on Martial Law. If a person was caught stealing, or committing other felonies, he was shot because of the fact that they could not be held in prison, who would watch them? Some people thought it a waste of time, others thought it brought the fear in people of Nuclear Wars. Maybe the movie was a waste of time, however, maybe, because of the movie, the fear of a deadly third World War would make people realize the loss if such a war happened.

The finalist of the NFC and AFC were the Los Angeles Raiders and the Washington Redskins. When the Raiders beat the Redskins it was the largest point margin of any Super Bowl ever played. The Raiders beat the Redskins 48 to 9 in Super Bowl XVIII. The Raiders broke many records. Marcus Allen was voted as MVP of the game. He broke the record for most yards rushing and most total yards in a Super Bowl.

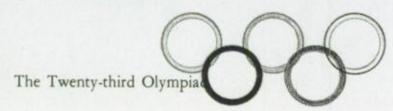

The 1984 Olympics were held all over the Los Angeles area, but primarily in the Los Angeles Coliseum. The events took place in July and August of 1984. Some of the events included track and field, gymnastics, boxing, baseball, fencing and many others. Los Angeles looked forward to the 1984 Olympics. They've waited so long for 1984 to come. The last Olympic games that were held in Los Angeles was in 1932.

On Friday, November, 1963 President John F. Kennedy was shot and killed while driving with his wife in Dallas. Lee Harvey Oswald shot Kennedy in the back of the head. Kennedy never regained consciousness, and died within twenty-four hours.

Kennedy, our 35th President (1960-1963), is best remembered for his great wit and famous Nixon debates. His motto was, "Ask not what your country can do for you; ask what you can do for your country."

# THANK YOU FOR HELPING

Herff Jones Yearbook Rep., Frank Chavez

Parents support the football team by wearing son's jerseys

Rancho Grande Cucamonga Kiwanas Club Donated much energy to the school

Etiwanda High School was made into a reality due to the overwhelming efforts of the faculty, parents, students, and community. Not only did they participate in the first stages of the formation of our school, but they have helped to secure the future of Etiwanda High. To all those who have unselfishly donated their time, these pages are dedicated.

# READY FOR THE WORLD One day I threw away my crayons and coloring book. It was time for my I decided to give

It was time for me, I decided, to give life a look.

So out I ventured with hopes to find The peaceful world I had in mind.

I saw the people just letting life run on past.

I began to wonder if I tried to grow

I searched for a world like the ones I drew.

But what I found was nothing like I once knew.

Sneaking back to my room, I realized.

I'm in no hurry to face life's schemes.

And L drifted off to my world of dreams.

Cindy Lundquist, Detroit Lakes, Minn.

The Beginning
